PRESS RELEASE

(Maryhill, ON – March 6, 2018)

**Roy and Joanis reign supreme at the Eclipse Financial Cup
Snowcross National in Timmins, ON**

It was another stellar weekend for Huber Motorsports Piller's Polaris Racing at Round 4 of the CSRA Rockstar Energy Snowcross Nationals in Timmins, ON this past weekend. Pro Open drivers RJ Roy and Dave Joanis did excellent business by totally dominating the top two podium positions in the finals on Saturday and Sunday. Frigid temperatures and excellent snow conditions greeted the riders who made the trek to northerly Timmins, some 700 km from southerly Toronto, where the thermometer managed to edge above freezing.

Joanis climbed the highest rung on the box in Saturday's final, with Roy – who at times raced neck and neck with his teammate – occupying the number two slot. On Sunday Roy put the team on top with a well-earned win. This time out it was Joanis's turn to bring home second place. Again, the explosive Polaris 600R-mounted drivers were the stars of the show – battling each other for position – with the competition playing supporting roles.

To add the icing on the cake, in Saturday's heat races Joanis won both of his outings, making it a clean sweep afternoon for the Cochrane, ON native. Roy was a bit more tentative in his heat races but did what he needed to do to advance directly to the final with 4-5 results. On Sunday,

Roy snared 1-3 finishes in his heat races while Joanis produced 2-2 results. As he went on to finish second in the final, “two” proved to be the magic number for Joanis. With their barnstorming results, Roy and Joanis continue their stranglehold on the Pro Open points scoreboard: Roy currently sits in first place – Joanis in second.

Huber Motorsports’ rookie driver Cale Callan, who has been a steady force in Pro Lite action from the get-go, keeps upping the ante with impressive podium results in his bid for a shot at the championship title. The Phelpsston, ON native handily claimed second place in the final on both Saturday and Sunday.

In Saturday’s qualifying action, Callan crossed the finish line in fourth in heat #1. Not to be denied, he blitzed his way to a win in the second heat aboard his Polaris 600R. On day two he got off to an auspicious start, nailing second place in heat #1 and a win in heat #2.

In the Pro/Am Women’s division, Huber Motorsports Piller’s Polaris Racing’s Alexxa Callan exhibited the winning ways that have become her trademark since the opening round in Rouyn-Noranda, QC back in January. She piloted her Polaris 600R to an impressive clean sweep of her heat races and the final in both Saturday and Sunday’s confrontations. These results ensured the Minesing, ON native’s further points solidification at the top of the championship scoreboard.

In the breathtaking Snow Bike class, pro national motocrosser Nathan Bles assured Huber Motorsports a coveted podium slot on both days. Saturday Bless recorded second place in his heat races, to then go on and do the same in the final. Day two’s races proved to be basically a rerun of the first day for the Bayfield, ON native: 2-2-2! A magic number indeed!

About Piller's – A Proud Heritage: In 1957, Wilhelm Huber opened a small butcher shop in Waterloo, Ontario using family recipes and traditional European meat processing methods to provide his customers

with authentic, great-tasting European deli meats. Two years later, his brothers Edward and Heinrich joined the company, which became Piller's Sausages and Delicatessens Limited.

From those humble beginnings, Piller's has become one of North America's largest producers of European sausages and deli meats, famous for award-winning products such as Black Forest ham and air-dried salamis. To this day, after five generations of sausage makers, Piller's still uses the same natural aging, curing, and smoking process that had customers lining up outside Wilhelm Huber's butcher shop over 50 years ago.

The company was acquired by Premium Brands Holdings Corporation in 2011 and is now known as Piller's Fine Foods.
